Community Outreach Program?:

Sponsoring agent:

Unique rules: This program takes students to several remote clinic sites set up in schools or tents. Few resources for diagnosis, minimal lab and referral system

Evaluation

Info_from: Adrienne Yarnish

Date_Origin: 6/07

How well did this elective site meet your professional learning goals in these categories (0=not rated by student)

Scale: 5 = Very well to 1 = Not at all

Other Comments: Great program for students just starting international experience. Gives insight into challenges to face and skills and resources needed. The negative part is that you see patients at a site only 1-4 days - no continuity. Positive -Exposure to pathology

Clinical goals met: 5

Community/Public Health goals: 2

Cultural/Personal goals: 5

Other (Specify and rank): exposure to Indian approach of m

How strongly would you recommend this site? 5
